

Intelligence & Analytics (I&A): Analytics & Data Visualization Solutions

Working with Advito Intelligence & Analytics, we will bring your data sources together, integrate with our exclusive 3rd party data sources, and then provide the actionable insights you need to make informed business decisions.

Program benefits

Our Analytics & Data Visualization Solutions enable you to:

Optimize the travel program

Drive additional savings

Increase compliance

Change supplier conversations

Gain spend transparency

How?

- 1 Define a data strategy
 - Where does your data come from?
 - Who is your audience?
 - What do you want to achieve?
- 2 Execute the data strategy through an analytics & data visualization solution
- 3 Tell your data story

Deliverables
